Flexmaster U.S.A.® Round to Round Adapters

SHEET METAL FITTINGS

Round to Round Adapter

The Flexmaster U.S.A.® Round to Round Adapter is manufactured from 26 gauge, or heavier, galvanized steel to meet SMACNA and UMC Standards for commercial construction.

The Round to Round Adapter is manufactured as a flat body or extended conical fitting. Custom sizes are available upon request.

The Round to Round Adapter should be installed using SMACNA installation standards.
